

## **Biographical Information**

**Greg August**  
**Vice President of Information Technology and Chief Information Officer**  
**EWTN Global Catholic Network**

As Vice President of Information Technology and Chief Information Officer (CIO), Greg August provides senior management and strategic technical leadership for our global information systems. He is responsible for assessing, developing, implementing and maintaining the information technology infrastructure across all areas of EWTN.

His career spans over three decades of experience, including 26 years at the C-level in both public and private sectors. He has been involved in critical roles deploying systems across data centers for entities such as the Nasdaq, the US State Department, the US Army, the DEA, Walgreens, and many others.

Greg is an alumnus of The Catholic University of America, a founding board member of two independent Catholic Schools, served the Order of Malta in various capacities for the past 20 years, and enjoys the adventure life with his wife, their nine children and four grandchildren.
